International Engagement and Careers

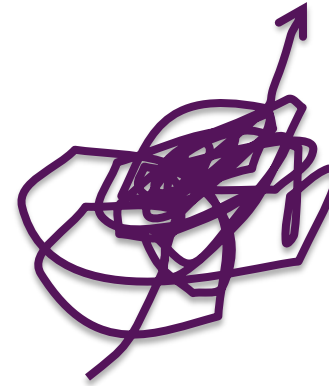

Activity: On a scale from 1 to 10, how would you rate yourself?

1. I would like to secure a job after graduating.
2. I am aware of my career options.
3. I possess knowledge about the industry I aim to enter.
4. I know how to enter my desired industry.
5. I am confident about securing a job in my chosen industry.

What does a career look like?

Expectation

Reality

- We will work with you to help you gain a better **understanding of yourself**.
- We help you to truly comprehend the **obstacles and opportunities** that surround you.
- We aim to boost your **confidence** in planning your career.

Key elements to finding a job

1. Academic **background**

2. Professional **skills**

3. **Opportunities**
