St. Mary's College scarf from 1971.

"Here is my St Mary's College scarf from 1971, a little the worse for wear, the more, and many changes of abode. It remains a constant reminder of how college - and in particular Mrs Mary Holdsworth and Dr Ann Loades, shaped and defined me as a person and set my moral compass for the following 50+ years. I thank them"

Alèxe Finlay
1971 - 1974
