28 Undergraduate Programmes

2014 — School of Management & Economics (SME)

- Economics
- Professional Accountancy
- Finance
- Global Business Studies
- Marketing and Communication
- Financial Engineering (Offered Jointly with SSE and SDS)

2015 — School of Science & Engineering (SSE)

- Mathematics and Applied Mathematics
- Chemistry
- Materials Science and Engineering
- Electrical and Computer Engineering
- New Energy Science and Engineering
- Physics

2016 — School of Humanities & Social Science (HSS)

- English Studies
- Translation
- Applied Psychology
- Urban Management
- International Organizations and Global Governance

2018 — School of Medicine, Life & Health Sciences (LHS)

2020 — School of Data Science (SDS)

- Data Science and Big Data Technology
- Statistics
- Computer Science and Engineering

2021 — School of Music (MUS)

- Music Performance
- Music Composition and Theory
- Musicology

2022 — School of Medicine (MED)

- Biomedical Science Engineering
- Bioinformatics
- Pharmaceutical Science
- Biological Sciences
- Clinical Medicine

2024 — School of Public Policy (SPP)

School of Management and Economics

Taught Postgraduate Programmes

- MSc. in Finance
- MSc. in Economics
- MSc. in Accounting
- MSc. in Business Management
- MSc. in Marketing
- MSc. in Information Management and Business Analytics
- EMBA in Finance

Research Postgraduate Programmes

- M.Phil.-Ph.D. in Economics
- M.Phil.-Ph.D. in Finance
- M.Phil.-Ph.D. in Accounting
- M.Phil.-Ph.D. in Marketing
- M.Phil.-Ph.D. in Information Management and Business Analytics

School of Science and Engineering

Taught Postgraduate Programmes

- MSc. in Communications Engineering
- Executive MSc in Supply Chain and Logistics Management

Research Postgraduate Programmes

- M.Phil.-Ph.D. in Computer and Information Engineering
- M.Phil.-Ph.D. in Materials Science and Engineering
- M.Phil.-Ph.D. in Mathematics
- M.Phil.-Ph.D. in Energy Science and Engineering
- M.Phil.-Ph.D. in Physics
- M.Phil.-Ph.D. in Chemistry

School of Humanities and Social Science

Taught Postgraduate Programmes

- MA. in Translation and Interpreting Studies
- MA. in Simultaneous Interpreting
- MSc. in Applied Psychology
- MSSc. in Urban Studies
- MA. in Chinese Language and Literature
- MSc. in Computational Social Science

Research Postgraduate Programmes

- M.Phil.-Ph.D. in Global Studies
- M.Phil.-Ph.D. in Applied Psychology
- M.Phil.-Ph.D. in Translation Studies
- M.Phil.-Ph.D. in Urban Studies
- M.Phil.-Ph.D. in Computational Social Science

School of Data Science

Taught Postgraduate Programmes

- MSc. in Data Science
- MSc. in Financial Engineering
- MSc. in Artificial Intelligence and Robotics

Research Postgraduate Programmes

- M.Phil.-Ph.D. in Data Science
- M.Phil.-Ph.D. in Computer Science

School of Medicine

Taught Postgraduate Programmes

- MSc. in Bioinformatics (Joint with SDS)

Research Postgraduate Programmes

- M.Phil.-Ph.D. in Biological Sciences
- M.Phil.-Ph.D. in Biomedical Engineering (Joint with SSE)

School of Music

Taught Postgraduate Programmes

- MA. in Music Performance
- MA. in Music Composition and Theory

Research Postgraduate Programmes

- Doctor of Music in Music Composition and Theory
- Doctor of Music in Music Performance

School of Public Policy

Taught Postgraduate Programmes

- MA. in Public Policy
- MSSc. in Urban Studies

Graduate Placement

80.92%

are Pursuing Future Studies at World-renowned Universities Like:

Summer Lab Research (SLR) Program

SLR Program is a short-term Program for exchange students from our global partner institutions.

The research topics cover a wide range of fields, including New Energy & Energy Efficiency Management, Big Data & Scientific Data, Modern Biological Information Engineering, Robotics & AI, etc.

Benefits for participants:

- 8-week tuition-waived research experience at cutting-edge laboratories.
- 1-on-1 mentorship from leading experts in various fields.
- Opportunities to connect with peers from around the world.
- Experiencing life in Shenzhen, a dynamic and rapidly growing city in China.
- Guaranteed on-campus residence.

Nomination Deadline: 15th February

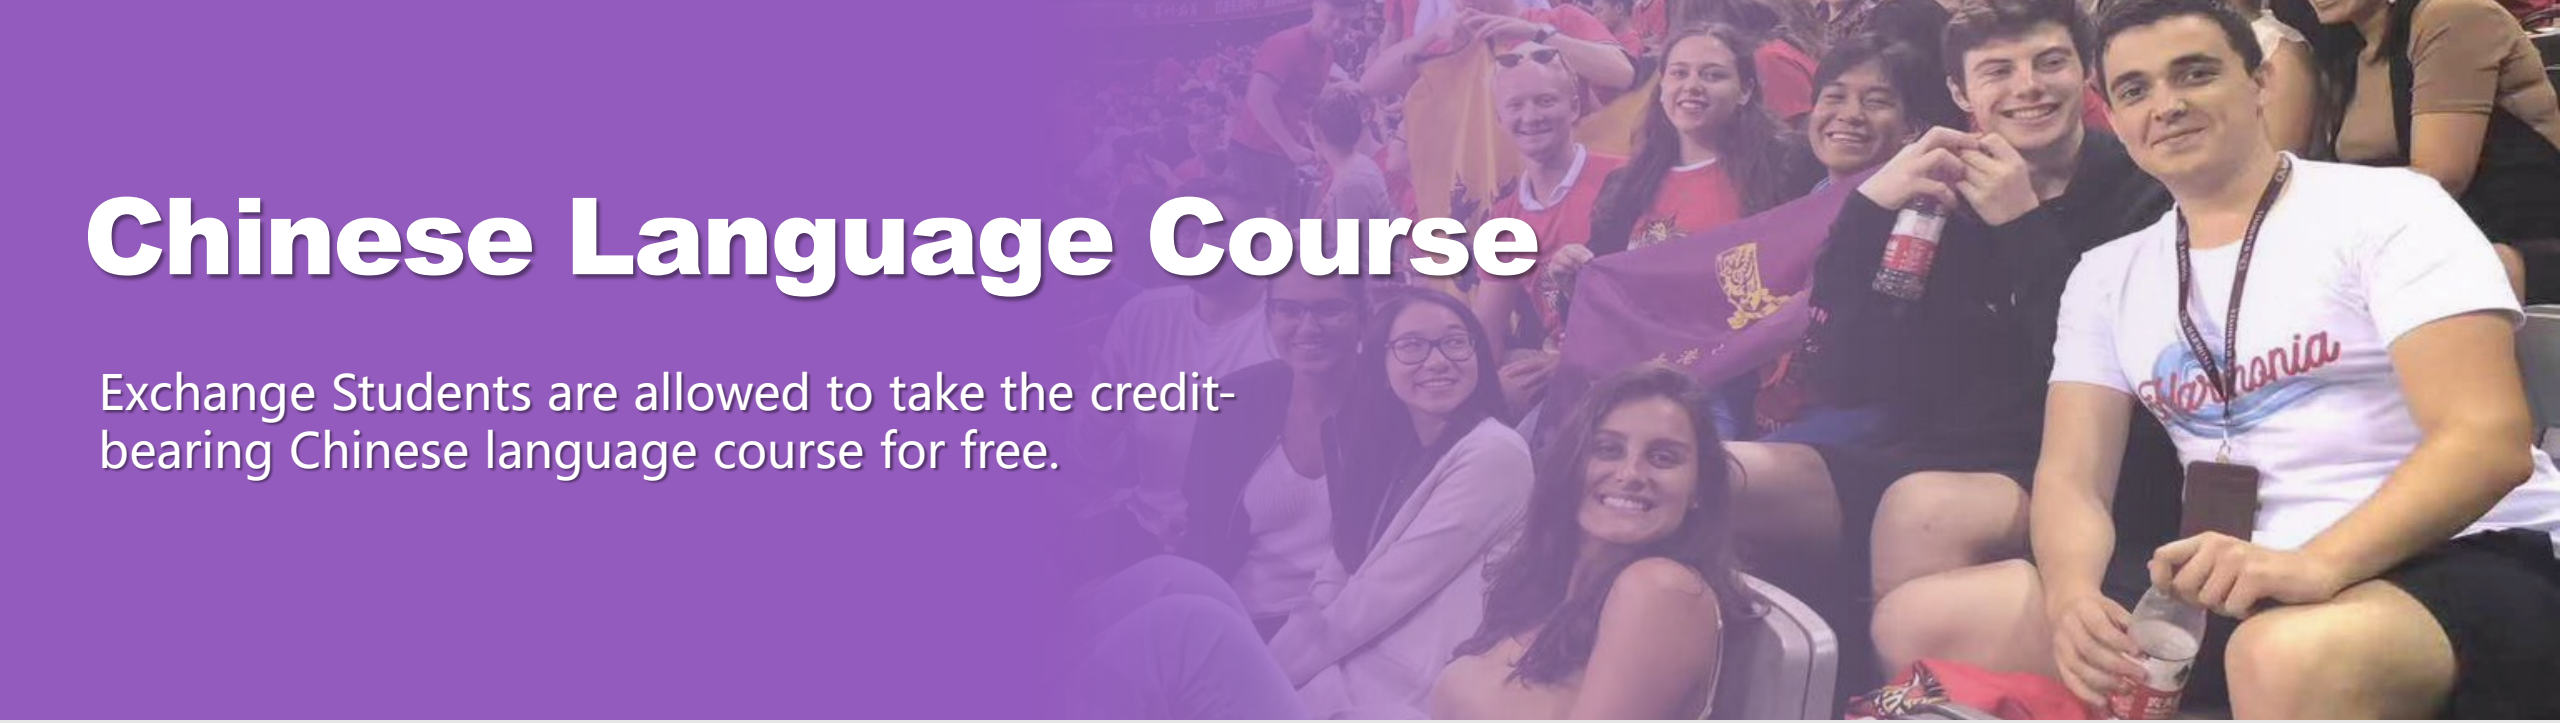
List of Summer Labs

Research Field	Laboratory
New Energy & Energy Efficiency Management	• Shenzhen Institute for Advanced Polymer Materials (PolyGBA) • Shenzhen Key Laboratory of Advanced Materials Product Engineering (PolyCUHKSZ) • Shenzhen Key Laboratory of Environmental Materials and Renewable Energy
Big Data & Scientific Data	• Guangdong Provincial Key Laboratory of Big Data Computing • Shenzhen Research Institute of Big Data • The Chinese University of Hong Kong, Shenzhen-Shenzhen Research Institute of Big Data-Huawei Innovation Laboratory of Future Network System Optimization • Prof. Yao's Lab (High-dimensional Statistics; Random Matrix Theory)
Modern Biological Information Engineering	• Guangdong Provincial Key Laboratory of Life and Health Sciences • Futian Biopharmaceutical Innovation and R&D Center • Arieh Warshel Institute of Computational Biology • Kobilka Institute of Innovative Drug Discovery
Robotics & AI	• Robotics and Artificial Intelligence Laboratory-Marine Robot • Shenzhen Institute of Artificial Intelligence and Robotics for Society (AIRS) • Human Language Technology Laboratory
Operations Management & Marketing	Game-Theoretic Modeling in Operations Management & Marketing

Course Information & Study Load

- We offer exchange students a variety of **courses that cover different disciplines.**
- You can **choose courses across different schools (temporarily except for the Clinical Medicine and all majors in School of Music)** within your study level.
- Postgraduate courses are not offered to undergraduates.
- Exchange students shall take a **minimum of 9 units** and **maximum of 18** units per term.

Chinese Language Course



Exchange Students are allowed to take the credit-bearing Chinese language course for free.

Introductory Chinese

For students who don't know Chinese at all.

Basic Chinese

To enable students to communicate with others in daily activities.

Intermediate Chinese

Students are expected to achieve fluency in communication and acquire basic presentation skills.

Advanced Chinese

To meet the emerging needs of advanced students who study Chinese as a foreign language.

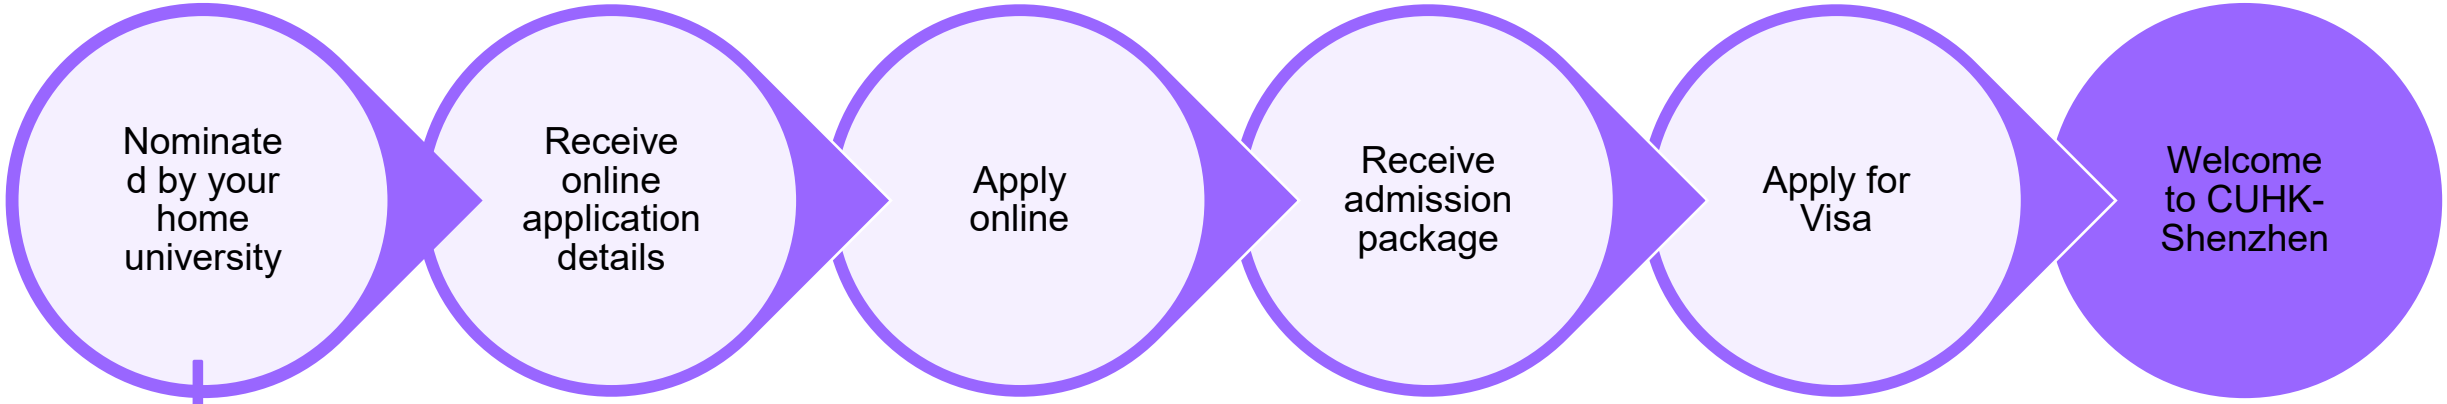
HOW TO JOIN US?

Admission Procedures

Fall Term: **early September – late December**
Spring Term: **early January – mid-May**



Fall Term & Full Academic Year: **28th April**
Spring Term: **28th September**

For Fall Term, we require students to registser in person in the last week of August. The earliest check-in date for domitory is one day before the registration date.

Admission Requirements

Language Requirement

If you are from an institution where English is not the primary language of instruction, you should have a minimum TOEFL score of 530 (paper-based) / 71 (internet-based) or IELTS 6.0 or equivalent.

Academic Requirement

- Undergraduate student should have completed at least two academic terms of university studies.
- Postgraduate student should have a recognized bachelor's degree or equivalent and currently enroll in a postgraduate programme at a partner university.
